Resources for international talent

Help desks

Relocation brings with it a lot of questions, so make the most of our information points.

General support

For general questions, internationals can contact our partner [ACCESS](#). They provide information on a variety of topics including, but not limited to:

- Healthcare
- Career
- Housing
- Education
- Dutch language classes

A walk-in service is available at the IN Amsterdam office as well as online.

Rental queries

For questions about renting a property and tenant rights, our partner [!WOON](#) offers confidential and free advice.

Job search assistance for partners

For partners of international staff, we offer career consultations with [EURES](#) (European Employment Services).

EURES consultants help internationals understand the labour market, adapt their CVs to meet local requirements and provide access to a database of vacancies and potential employers.
